

BOILERMAKER WATER STATION--JULY 9, 2017

As you all know Andy Reath has retired as Water Stop Chairperson. He did a great job and we all had a great time volunteering for this huge event and advertising our club. It won't be easy to fill these shoes but myself (Patti O'Hara) and Pat Tahan will do our best.

Believe it or not it is time to think about the Boilermaker and signing up to volunteer. All volunteers need to register and sign a waiver and there is a deadline which is mid-April.
