

# BOILERMAKER

**SUNDAY**

**JULY 9**

**6:30 am**

The water station is on Whitesboro St. in west Utica at the corner of Cherry St, just west of Heintz funeral parlor.

This year security will be tighter than last year. All volunteers will have credentials. Roads will be closed off at 5:30 AM. No strollers, back packs, or coolers will be allowed into post-race party

Meet there at 6:30 AM to receive the supplies and set up. There is limited parking at the water station. You may have to walk up Kernan Ave. to Whitesboro St. There is also some room in the apartment (old St Luke's hospital) building parking lot, across the street from Heintz's. There is a rough driveway up to it off Erie St. as Whitesboro St. may be closed by the time you get there.

If roads are closed, go to Oriskany St. and turn onto Jason St. at the Patio Drive Inn. Turn right on Erie St. and go until you see the driveway to the apartments or Kernan St.

For those working the post-race party you should be at the brewery by 7AM.

The volunteer party is Friday July 7 at 5:30 pm at M.V.C.C. You will receive a ticket for that in the mail, so complete address is important. You will need that ticket to get into party.

**Due to security concerns - no back packs, coolers,  
or strollers at the events**
