

BOILERMAKER SUNDAY-July 9th, 2017

G.E. Ski Club's Water Stop is on Whitesboro St. in west Utica at the corner of Cherry St. near Heintz's Funeral Home and across from the Fire Station.

We meet between 6-6:30 AM to receive supplies and set-up.

There is limited parking at the stop.

The best way since streets start to close down 5:30-6:00 is to go on Oriskany Blvd and turn right onto Jason St. (Patio Drive-In) then right onto Erie St. Park on any side street and walk up.

DUE TO SECURITY CONCERNS, NO BACKPACKS, COOLERS, OR STROLLERS ARE ALLOWED.

Wear your t-shirt and your credentials (**new this year**).

Friday, July 7th at 5:30 pm at MVCC is the Volunteer Picnic.

If you registered online or with me in April, you will receive a ticket in the mail for this.

Those who did not register but would still like to help, let me know and be prepared to sign a waiver when you arrive at the water stop.

I would like to thank Brian Hackley and Pat Tahan for assisting me and Ed Campbell for offering to help clean up.

Looking forward to seeing and working with you on Sunday, July 9th!!!!

Patti O'Hara-(315)525-7288
