

Camping at Cranberry Lake July 2019

We are camping at Cranberry Lake State Campground on July 17th - 22nd.

This state park is located in the Northwest Adirondack Mountains. It is on one of the largest lakes in the Adirondack Park. There's hiking, swimming, canoeing/ kayaking among other things to do in the campground.

Most of the park's campsites have trees between them. We will be on site #'s 75, 73, 67, 68, 69 and do have site #76, suitable for up to a 30' trailer, available for anyone to join us on this trip.
