FANTISTIC TRIP. YOU DON'T WANT TO MISS IT

COVID:

The hotel, land transfers, and lift tickets are fully refundable up to 45 days in advance (Jan 12), Air cancellation deadline is Dec 1, for full refund (I think), air travel credit after that.

There is a hotel insurance policy that says if all skiing and lodging is shut down before the trip, refunds will be available. NO insurance is covering fear of going because of covid. Covid has been declared a pandemic and insurance does not cover that.

Ski.com has an insurance policy (6.5% of trip cost) that will cover accidents, normal sickness, some trip cancelations/interruptions etc, before you go or while on trip. Coming down with covid while on trip is covered at this time, if in future depends on insurance company.

Italy is NOT on the no fly list at this time.

Some good news; if we get the 20 or more people to go and we air ticket by Dec 20 we save \$30 per ticket. Bad news is: 1st free, second checked bag is \$100.
