

Cross Country Ski Corner

December 4, 2021 - Saturday, 10:00AM, Lake Delta State Park.

This excursion has become an annual tradition to kick off the winter season. Experience the easy trails at this beautiful state park. This is a cross country ski, snowshoe, hike, (maybe bike) event. Meet at the beach house parking lot regardless of the weather. If you don't cross country ski or snowshoe...consider putting on your boots for a woodland walk or even bring a mountain bike. In early December the snow depth is likely to be shallow or non-existent. Contact Dan Z at 315-337-7045 for additional information.
