Missing Children Bike Ride

The National Center for Missing and Exploited Children (NCMEC) is holding its' annual bike ride on May 20. The purpose of the 100-mile ride is to raise funds for the printing and distribution of posters for missing children. 100% of the money raised is used to print and distribute posters. In 2004, 594,272 posters were sent out for 209 missing children; 173 of these children have been recovered. Kathy and Jim White are seeking donations. Please consider this most worthy cause and speak to Kathy or Jim at 853-5946. Other club members participating in the ride and accepting donations are Deb Weakly, Carolyn Morgan, Warren Hamblet and Joe Rizzo.

Greetings GE Ski Club Golfers!

The Hamilton College Golf Course will officially open Saturday, April 30th, 2005! Come play golf with the GE Ski Club FUN GOLF LEAGUE! This is FUN, non-competitive league giving everyone at ANY level of golf a chance to get out and enjoy the links. Come when you can -- no obligation to play every week. All golfers ANY level of play are welcome and it's only \$5.00 per 9 holes.

We need to figure out which night of the week would be best for those who plan to play. Hamilton College's course is not available on Tuesday evenings but the rest of the week is open. We will usually play at Hamilton for consistency but every now and again we'll try another course that can accommodate us at our preferred start time in order to mix things up.

If you would like to play with the GE Ski Club FUN GOLF LEAGUE this season, please email Jeannine at jmurtaug@hamilton.edu or call her at 859-4339. Please also indicate which night of the week you would prefer to play Monday, Wednesday, or Thursday and what would be the best starting time for you: 4:30, 4:45 or 5:00 pm.

We will report back with the results shortly; so, please respond soon. Thank you!
Hittem' Long and Straight!

NOTES FROM THE PREZ:

As the new president (once again), I'd like to thank Pat and all of last year's board for their work on behalf of all of us in the Club! Well done! Having meet with the new board I'm excited and pleased to be working with everyone. There's a lot planned for this summer and planning is already under way for next winter. Please be sure to let us on the board know of any activities you'd like to do, or places you'd like to go and we'll see what we can do. I know we on the board count heavily on the members to assist in making the club the great success it has always been. Please remember to use the web site's forum to help find others looking for things to do. Remember going down hill is not always a bad thing!

Tom O s Canoe and Kayak Extravaganza

Once again Tom O Hara has agreed to host a boat trip on one of the fine waterways in the Southern Teir. We will meet at 9 A.M. at the New Hartford Shopping Center in front of Herb Phillipsons (not close to store fronts) .The camp is high and DRY now. Please bring a dish to pass. Printed directions and the exact water route will be handed out at that time. The Picnic after boating is super so be sure set the day aside NOW.

Hello,

I would like to share an idea with you that could include the club as a participant. The American cancer society has for 10 yrs now run the Relay for Life. This is a fund raising event that is held June 11-12th and will be in Utica at the JFK Middle school. Groups get together and walk on the school's track for 12 hours from Saturday noon until Sunday noon. The group has to have someone walking at all times. Groups can sign up and pick their spot on the lawn to camp out for the weekend. There is a registration fee of \$10(after April 15th) for each participant. Each group raises money in some way and donates it to the American cancer society. Some of us thought it would be a fun thing to do. It could be our "June" camping trip. Some people could camp out. Others might come and walk with us. Others might stop by and bring some cookies or a potato salad for us to share. We could make B B Q chicken. Play Frisbee, take turns running to Price Chopper or to Charley's Pizza for Food.

There is an organizational meeting next week for this where each group would then line up to pick their camping spot. Groups have until May 20th to sign up.

Wondered what you though about this. Would you help out if we ran it. It may be done by a few dedicated souls not necessarily the club. That depends on what the new board says next week. For the club, we could bring our banner and display it, get some free publicity ,ya know. I am sure WKTV will be there to get some footage. FREE

I like that term. Ron G.

Anyone interested in a Boating Trip?

We can get several boats or a party barge and start at Sylvan Beach and go to Brewerton . If that isn't good maybe how about starting at Old Forge and cruise up to forth lake for lunch at Daikers new outside deck.

Let's get together and have some fun!

Contact Donna Pratt at Donnapratt@verizon.net

If you have a boat, party barge, or jet ski and want to get together with other members of the club e-mail me. We can come up with something that will be fun for all.

Kayak & canoe day on the West Canada.

Well it's time for our annual trip down the raging class .5 rapids of the West Canada to Newport N.Y. on Sunday May 15. We will be meeting at the public fishing turn off on Rt. 28, 3 to 4 miles southeast of Mappedale, at the bottom of Putnam Hill Rd. (same place as always) at 9:30 A.M. Once we have gathered we will take cars to the Newport end, so we have a way of getting people back to get the cars we left. The trip is aprox 3 to 4 hours and we stop for a lunch break, so pack some vittles (food) & drink. There is about a mile and half of rapids about 2/3rds of the way, so spray skirts and P. F. D's (life jackets) are required. Boats have been known to flip in this area, so make sure your gear is tethered (tied down) in or on your boat. Prepare for the weather also. We've had 85 and sunny and 40 and rain on this trip over the years. When we are done and all packed, we will head back to Barneveld to Vans Tavern for some after trip stories, cold beer, and some of their Sunday food specials.

Any questions call Andy at 735-0349. Hope to see y'all there. Andy

Spring ski care.

Now that you got the golf clubs out, you shouldn't forget about your skies just yet. A little spring care is due so they're ready to go next winter. Clean any dirt off the skies with a damp rag, tops and bottoms. Do the same with the bindings. Dry everything off. Spray a little WD-40 lightly over the bindings. If you hot wax, then put a coat on the bottoms and smear side to side covering the edges. Don't scrape, leave it till fall. Scrape them before you go skiing. If you need it, sharpen the edges first before you wax.

If you don't hot wax, then take a rub on wax and cover the bottoms as best you can including the edges. You can cork the bottoms some to get a good cover over the p-tex. You can also take your skies to a shop and have a tune up done before you store them. I'm sure the edges could use the sharpening. That way, they will really be ready to go when the snow flies. Do the cleaning first before you take them in. This prevents the edges from rusting and the p-tex from oxidizing. Try to store in a fairly dry place but not an attic or metal shed where it can get too hot. NOW go play some golf.
