NOTES FROM THE EDITOR:

Busy, busy, busy, that is what our officers have been this month. I look at the calendar and wonder could anyone have the time to make it to all of our events we have scheduled? Probably not, and they're not expected to. We pick and chose where we want to ski and where we want to go and socialize and that is what makes this club so great. No matter which choice you make you will fine members that you will enjoy being with and having a fun time. The only choice that I think would be a bad choice is not coming out to events scheduled and having a fun time. Don't be that bump on the log.

Participate.
