Boilermaker road race day - Sunday July 8

The G.E.Ski Club has volunteered to man an official boilermaker road race water station on Whitesboro St in Utica for many years now. If you would like to be a part of the official G.E. Ski Club boilermaker road race water station team, let me know by e-mail andy@ugefcu.net or by phone @ 735-0349.

By being an official member of the G.E.Ski Club boilermaker road race water station team, you will get an official boilermaker road race water station volunteer tee shirt, a special pre boilermaker road race volunteer party, a post boilermaker road race goody bag, an official volunteer pin, volunteer lunch, and free official volunteer beer, or soda, or beer, or water, or beer.

If you have done this before and no personal information has changed, just let me know, by either of the above official means. Telling me at a happy hour won't work, I won't remember.

If some thing has changed OR if you are officially volunteering for the first time, I need to know your full NAME, MAILING ADDRESS, and TEE SHIRT SIZE.

All official volunteers MUST officially notify me by May 10, by above means, if you want to be an OFFICIAL G.E. Ski Club boilermaker road race water station team member. Telling me at a happy hour won't work, I won't remember.

Anybody can come the day of the race and help at the water station. In fact you are more than welcome, but you will not be able to partake of the official parties or receive an official volunteer shirt, volunteer pin, beer, soda, beer, water or beer, if you don't sign up ahead of time to be on the official G.E.Ski Club boilermaker road race water station team. Remember deadline May 10 th.

**Note -- The water station is on Whitesboro St at the corner of Chery St in Utica. It is right across from the fire house and just west of Heintz funeral parlor. (west is towards Yorkville) Volunteers are asked to be there between 6:00 and 7:00AM (about the crack of light) to help set up and are requested to stay until the end to help take down. Parking is limited and some roads are blocked off earlier than need to be (some rent-a-cops don't have any flexibility). Some parking is available at the water station or in Heintz's lot or you can park on Erie St and walk up Kernan Ave. The 5K Race officially starts at 7:30, wheel chair at 7:45, and main race at 8AM.

See you there and thanks for your help.

Andy Reath

Official Captain

Spring Picnic

We had a great turnout at Royal Mountain for our Spring Picnic (35 –36 members). We collected \$ 144 dollars for RELAY FOR LIFE. Thanks to all who help make it such a huge success.

Steamboat Springs Trip

The big trip of the season this year took us to Steamboat Springs, Colorado at the end of January. It was a fun and memorable trip.

The people of Steamboat were wonderful hosts. It started with our Alpine Taxi driver (Bam Bam) who provided us with a list of his favorite places to go. We all found this to be very useful information. He also told us some cool stories on our ride. The shuttle drivers were also very helpful often seeing us walking somewhere and stopping to ask if we needed a ride. They went out of their way to help Steeves get to the clinic and find skis for Russ when his went missing. The skiing was great with a variety of trails and conditions. We saw some sun and snow and a little bit of ice to make us feel at home. Some of us partook in a free clinic with Billy the Kidd. He was very friendly and gave us great tips for skiing when we make it to the Olympics.

The village of Steamboat was beautiful. It provided many different dining opportunities including The 8th Street Steakhouse where you could cook your own steak, The Smokehouse, a fun barbecue restaurant where we played a cool game of trivia, (Rome New York was even an answer to one of the questions) and the Tap House a great sports bar that has cheap wings on Tuesday nights. The place was packed with young skiers and boarders alike. Of course shopping in Steamboat was also a hit. Some people also enjoyed the hot springs.

The hardest part of the trip was saying good bye to Steamboat especially since it was 25 degrees and sunny the day we left but as Bam Bam's story told us our souls will not rest till we return to Steamboat once again.
