**Well the (cool) summer is in full swing.
The camping trip is over (and we didn't
get yelled at for too noisy at happy
hour,
just some people for playing cards). The
clambake is coming up, and we have
biking, rollerblading, and more kayaking
on the schedule. So as Bob Barker used
to say "come on down" and join in on
these fun events. And remember, only
four months to ski season. Andy**

Boilermaker Race.

I would like to thank all the volunteers who helped at the water station for the 30th Boilermaker race. Every one did a great job: the water cup hander outers, the ice cup hander outers, the ice sign holder, the water cup filler upers, the ice cup filler upers, the ice bag movers, the water hose turner oner, the used cup raker upers, the garbage bag holders, the picture takerer, the table seter upers and taker downers, all the clappers and cheerers, and of course, me - your captian.

But seriously, there are a lot of things to do and every thing was done great. I know the runners appreciate the help we give them.

I, the board, the water stop volunteers, and the members of the club, congradulate all of the ski club members that ran either the 5K or the 15K race. Job well done.

See you next year

Andy
