NOTES FROM THE PREZ:

Cold weather is here. Many ski areas are open already. We have our major trips all set up. What we need is you. We have space on trips, deadlines are coming, sign up for the trips so we can continue to get the group rates. If we don't have enough people, we either have to pay more or cancel trips. Our trip committee and the rest of the board have been hard at work to bring these events to you for your enjoyment. I would hope these people haven't done all this work for nothing. It's for you, it's your club, participate.

Andy

General membership meeting
