JUNE 2009

VOL. 44 ISSUE 2

## Relay for Life June 13th & 14<sup>th</sup>

This is the weekend for Relay for Life. We'll be Demonstrating our support for The American Cancer Society's crusade against Cancer at the MVCC Utica Campus. We'll be walking for those cancer survivors and Cancer Victims.

We are taking sign ups for walkers for a 2 hour period starting at Noon on Saturday, June 13<sup>th</sup> and continuing on thru 10 AM Sunday morning. Signing up to walk doesn't mean that you'll be walking for the entire 2 hour period. We would just like someone to be with us throughout the weekend.

The Relay event features live entertainment on The Front Stage. Live bands play for approx 1 hr time periods. And, there are special events going on throughout the entire weekend. The highlight of the weekend is the Luminary Ceremony where Candles are lit and Placed around the Walking Path to Honor those who have survived a bout with cancer and to Remember those Who Lost their Battle against Cancer. This Ceremony is so special that a picture from it has been placed on one of MVCC's College Brochures. We will be having a Picnic Dinner around 5 pm Saturday at our site. We invite everyone to come, share with us and maybe bring a dish to pass. Contact Sue - 749-8057, Pat - 853-6728 or Ron - 732-5926 and join in with us.

## CAMPING AT ROLLINS POND

We are camping July 17th - 19th at Rollins Ponds. Some reservations are made. If you haven't camped with us lately and / or would like your own site, contact Ron (732-5926) to coordinate a site near the rest of ours.

Prez says:

Well the warm weather is (supposed to be) here, but the board is already thinking about next winter. The trip chairs are looking into events for next season.

In the meantime we can enjoy the summer events the club has scheduled.

The West Canada canoe/kayak trip, while not well attended by our club, had ten boats run the river. Five were from the Syracuse kayak club and they enjoyed themselves especially the giant burgers at Vans afterwards.

There is a variety of events scheduled for the summer. Hope to see you at some.

If any one has any comments or suggestions they can be e-mailed to [info@geskiclub.org](mailto:info@geskiclub.org)  
Take care and have a great summer.  
Andy

### **GOLF**

**We will try to have the weekday recreational golf "league" this summer. The Hamilton College league that used to play on Tuesdays (thus closing the course) has moved to Thursday. That is because the Hamilton facility received an e-mail that stated, because of economic staff cut backs the course may not be in as good a shape as normally would have been by Tuesdays. (I guess they laid off the weekend lawn mowers). Jeannine would like to know, of those who would like to play or do play, which night would work out best, Mon, Tues, or Wed. Please respond with your thoughts ASAP to [andyrr@verizon.net](mailto:andyrr@verizon.net) .We would hope to start in mid may.**
